

Widget

```
graph BT; SelectionBox --> Label; Label --> Widget;
```

The diagram illustrates a class hierarchy with three levels. At the top is the 'Widget' class. Below it is the 'Label' class, which inherits from 'Widget' as indicated by an upward-pointing arrow. At the bottom is the 'SelectionBox' class, which inherits from 'Label' as indicated by another upward-pointing arrow. All three classes are represented by rectangular boxes with black borders and black text.
